Communal area is furnished to provide comfort for service users We aim to actively encourage service users to play an active role in how they live by giving them choice, welcoming their opinions and welcoming them to have more say in service delivery. Jericho Lodge has a well furnished kitchen where residents are encouraged to assist themselves as well as staff in the preparation of meals as part of their independence.

Regular 1-2-1 key work session will be held with their respective key workers to ascertain their goals, achievement and objectives in their lives. Jericho Lodge encourages service users to integrate and the staff support social inclusion in the home.

Jericho Lodge is located within a quiet residential part of Morden in Surrey offers a local Post Office, a Leisure Centre and a myriad of shops situated a short walk from Morden Town Centre.

Jericho Lodge offers service users spacious accommodation. This small residential home caters for three service user and being a small unit, it provides a homely atmosphere for them. The staff team aims to support and encourage residents with:

- **Effective personal hygiene**
- **Communication skills**
- **Money management**
- **Healthy eating**
- **Improvement in daily living skills**

Each individual needs and interests are carefully assessed prior to admission. Once they have moved to the site, individual support plans are developed and reviewed on a regular basis with the service user involvement. Service users are encouraged and fully included in the decision making process of the day to day running of the home via Resident Meetings, questionnaires, resident surveys and one-two-one sessions with their key worker. We have a spacious garden where residents can use the facilities available as part of their rehabilitation. Service users also has access to adult learning centres which offers a range of courses including independent living skills, cookery, gardening as well as other leisure activities.

### Positive outcomes

Jericho Lodge delivers an outcome based support and rehabilitation to those often reluctant to engage in therapeutic activities. Service users are encouraged to take an active role in deciding how they structure their day and are supported by staff as necessary.

We acknowledge and recognise that each service user should be treated as an individual in their own right with their own specific and often complex needs. Our goal is to support the service user by offering a range of support needed to enable the individual to work towards achieving the most positive outcome for them. This could be an independent living environment, a supported living environment to employment.

### Referrals

**At Jericho Lodge, we welcome referrals from all areas of mental health care and are committed to making the referral process as unobtrusive and stress free as possible.**

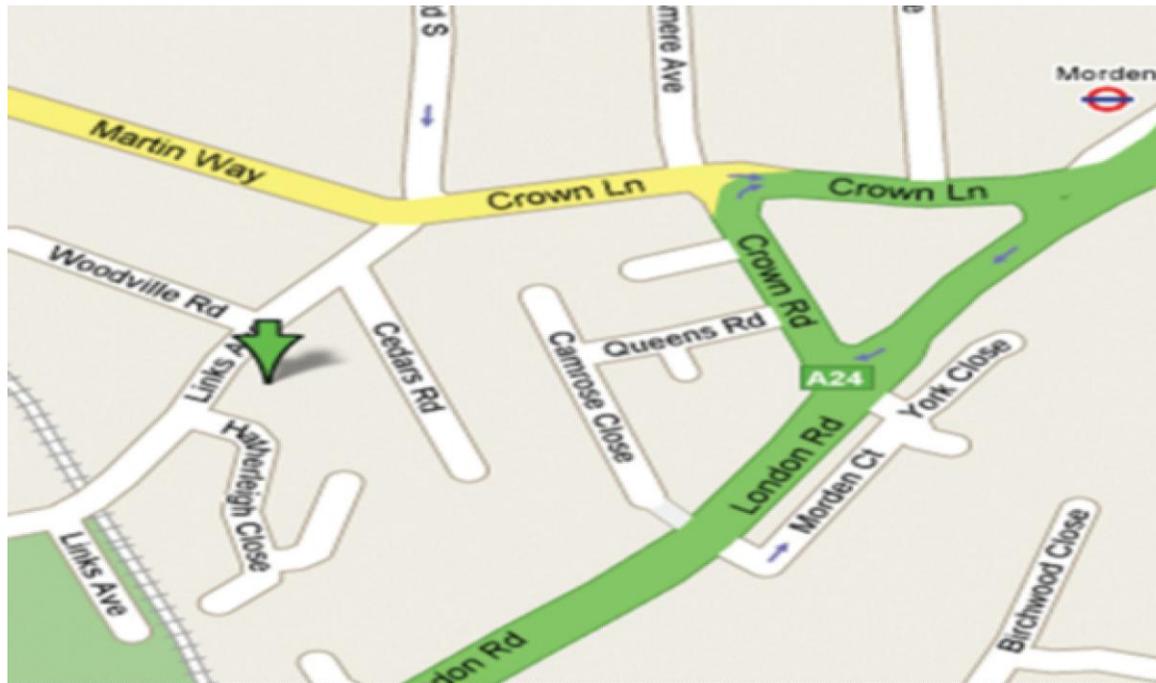

The referral process is reactive and easy to use with a direct line to our dedicated referral team. Following a referral being made, a senior member of our multi-disciplinary team will arrange and aim to carry out a full assessment at a venue and time that suits the individual's needs, this is usually within 24hours. Once completed, our multi-disciplinary team will review the case and if suitable a placement is offered and a full breakdown of costs supplied to the referral agency within 48hours. Once the placement is agreed we will work closely with the individuals and their care team to ensure the transition is smooth and a successful transition is carried out.
